#### **Publishers Weekly**

Starred Review. Assured and layered, full of heart and history, this one has bestseller written all over it.

#### **Library Journal**

Starred Review. Is this an easy book to read? No, but it is surely worth reading.

#### **New York Times - Janet Maslin**

Here is a debut novel by a Southern-born white author who renders black maids' voices in thick, dated dialect... [an] ultimately soft-pedaled version of Southern women's lives... a problematic but ultimately winning novel.

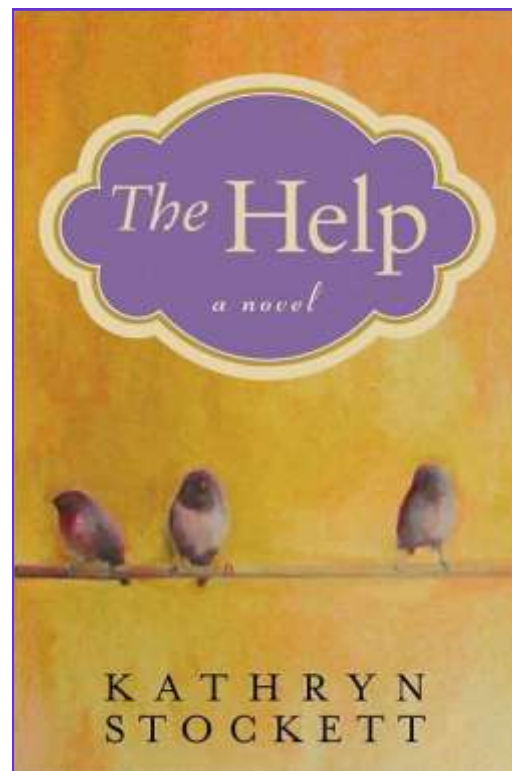

#### **Atlanta Journal**

This heartbreaking story is a stunning debut from a gifted talent.
